Trustees at 8:30 a.m., on February 15, 2002.

The minutes from both the January 14, 2002, and the November 15-16, 2001, meeting of  
the Board of Trustees were approved on a motion from Trustee Johnson and a second  
from Trustee Duda.

The Chair commented that he was saddened to hear the news of Justice Sundberg’s  
passing in late January and indicated that Justice Sundberg served the state and the  
university with distinction and that the university community will miss him. The Chair  
asked President D’Alemberte to recommend an appropriate way to honor Justice  
Sundberg’s service to the institution.

The Chair introduced Trustee William A. Haggard, as the Governor’s newest  
appointment to The Florida State University Board of Trustees, and welcomed him to  
his first Board of Trustees’ meeting. The Chair recognized Trustee Haggard for  
comments. Trustee Haggard indicated that it was an honor to serve on the Board of  
Trustees. He indicated that, while he was appointed to serve the duration of Justice  
Sundberg’s term, no one could replace Justice Sundberg. In further remarks, the Chair  
commented that he was confident that the university would be successful in its appeal  
of the Liaison Committee on Medical Education’s decision regarding provisional  
accreditation. The Chair noted that recently the Florida Student Association recognized  
Florida Board of Education Secretary Jim Horne with its Distinguished Service Award  
for his support of students and higher education and also presented the Lifetime  
Achievement Award to the Honorable Reubin O’D. Askew, a current faculty member.

The Chair indicated that Secretary Horne has invited President D’Alemberte to serve on  
the Higher Education Funding Advisory Workgroup and that Trustee Uhlfelder and  
Provost Abele were asked to serve on the Accountability Workgroup. The Chair  
mentioned that the Governor’s Supplemental Budget Recommendations included $100  
million for his technology development initiative and $5 million to address the current  
nursing shortage. The Chair remarked that the Senate Education Committee invited  
both President D’Alemberte and Provost Abele to participate in conversations relating  
to enrollment needs and adequate funding for higher education in Florida. The Chair  
thanked the President for his assistance in advancing the interests of all of the  
universities to the Florida Legislature.
The Chair recognized President D’Alemberte for his comments. President D’Alemberte indicated that the Eppes statue was unveiled on January 24, 2002, as part of the Sesquicentennial celebration. President D’Alemberte commented that the university was currently working on the appeal of LCME’s decision. President D’Alemberte indicated that he was confident that, given full and current information, the LCME would provide a positive assessment and accreditation. President D’Alemberte reported that the symposium on complementary and alternative medicine held on January 15-16 went well and that the symposium drew eminent presenters and researchers from around the country. The President reported that the university had hired Steven Wallace from the University of Oklahoma to be the new dean of theatre. President D’Alemberte indicated that in May 2001, the Board of Regents approved a bond issue by FSU Finance Assistance, Inc., a direct support organization of the university, to finance an upgrade of the Howser Baseball Stadium, improvements to Moore Athletic Center at the north end zone of the football stadium, and a basketball practice facility for both the men’s and women’s teams. The President announced that the bonds have been sold for $34,885,000 and that the closing would occur next week. The President commented that a copy of the FSView and faculty senate report concerning licensing apparel had been distributed to the trustees. The President spoke of the history of these human rights organizations and his reluctance to expend university funds for advocacy organizations. The President hoped that the Board could hear from these students about their position on the issue.

The Chair recognized Trustee Hinkle for a resolution to honor Justice Sundberg. Trustee Hinkle read the resolution in its entirety and moved for the approval of the resolution. Trustee Uhlfelder seconded the motion. Trustee Uhlfelder suggested that perhaps the Board ethics policy could be named for Justice Sundberg. The Chair commented that Justice Sundberg would be remembered by the Board for his service to the Board and the state. The Board of Trustees adopted the resolution unanimously. A copy of the resolution is attached.

The Chair recognized Mr. Jim Apthorp, Chair of the Florida State University Foundation Board of Trustees, and Mr. Bill Smith, Chair of the Executive Committee of the FSU Connect Campaign, for an overview of the Foundation and the FSU Connect Campaign. Bill Smith explained that the FSU Connect campaign was announced on October 26, 2001, with a goal of raising $600 million by December 31, 2005. The $600 million university goal were set consistent with the needs identified to satisfy the vision outlined in the Commission for the Future. Trustee Marshall made a motion to endorse the capital campaign. Trustee Hinkle seconded the motion. The motion passed unanimously.

The Chair recognized each of the committee chairs for an update on the committee’s work on the previous day. Trustee Knowles provided an update on the internal audit committee and indicated that the group discussed the charge of the committee and the responsibilities. The internal group also discussed their concern with the litigation issues being discussed in their committee. Trustee Ford reported on the Finance and Administration Committee’s discussion of their purpose and the charge of his committee.
Trustee Hinkle provided a legislative update and discussed the progress of the school code rewrite and the devolution of responsibilities to the university boards of trustees. The Chair recognized Kathleen Daly, director of governmental affairs, to brief the trustees on the current status of the trustee confirmation process and FSU Day at the Capitol. Trustee Marshall indicated that the Planning Committee met to discuss their charge, previous planning efforts, and the committee's future efforts. Trustee Uhlfelder provided an update of the work of the Student Judicial Process, including a discussion of the university's alcohol policy, the issue of an attendance policy, and the issue of an orientation for student athletes. Trustee Thrasher indicated that the Engineering Committee met to discuss the issues associated with the Joint FSU/FAMU College of Engineering and that the committee planned to meet again to discuss the issues prior to a joint meeting with FAMU.

The Chair recognized Dr. Karen Laughlin for comments. She indicated that the faculty was saddened with the news of Justice Sundberg's passing and that the Faculty Senate has dedicated funds for the law school library in his honor. Dr. Laughlin encouraged continued involvement of the Faculty Senate with the Board of Trustees and the committees. She also hoped that the Board would approve academic degree programs and respect the faculty committee process used to advance issues to the Board. She also hoped that the Board would advocate for funding for personnel on campus and support academic freedom on campus. She also commented that the Faculty Senate has issued a report relating to the apparel licensing issue.

The Chair recognized Provost Abele for an update on the Governor's Budget Recommendations.

The Chair recognized Mr. John Carnaghi, Senior Vice President for Finance and Administration, to discuss the ways in which support and service personnel are incorporated into the university community.

The Chair recognized Dr. Dianne Harrison, Associate Vice President for Academic Affairs and Interim Dean of Graduate Studies, for a discussion on the Southern Association of Colleges and Schools' (SACS) accreditation process. Dr. Harrison explained the process, its importance, and timelines.

SUBJECT: Dormitory Rental Rates, 2002-03

PROPOSED BOARD ACTION

Approve the housing rates for the 2002-03 academic year, as recommended by President D'Alemberte, and request that the President forward this information to the Florida Board of Education.

BACKGROUND INFORMATION

Rates for University residence halls and apartments are reviewed annually. The proposed rent schedule for the 2002-2003 academic year includes increases ranging from 3.03% to 5.05%. The proposal has been reviewed by appropriate student groups and approved by the Auxiliary Service Board and the President. The increases are comparable to those proposed in most similar institutions in the Southeast and lower than those which are just beginning extensive rehabilitation programs.

The proposed rent schedule will permit the campus housing operation to maintain a financial position necessary to continue significant rehabilitation programs. Since 1991, the housing department has been engaged in an extensive effort to renovate existing residence halls. Five of the oldest halls have been totally rebuilt in the interior while maintaining the historic building envelope. The sixth total renovation will be completed in July. One of the newer residence halls has also been renovated.

Over $62 million has been invested in these projects. Construction begins this month on a new apartment complex that will house 570 residents when it opens in August 2003. Planning will begin soon for the rehabilitation of Landis Hall, the last of the Jacobean Revival style facilities to be renovated.

Bond pro forma material has been prepared with projected annual increases of 5% in rental rates. The recommended rent structure will provide funds to support increased operating expenses, provide for significant increases in debt service, and provide the reserves needed to support future projects.

FALL, 2002 RENT INCREASE PROPOSAL

OVERVIEW

The rental rates proposed for Fall, 2002 include a semester rate increase of $75.00 per student for an air-conditioned double room and $90.00 per student for a double room in residence halls which have been renovated. The recommended increases in the two apartment type residence halls are $10.00 per month per student, and $78.00 per semester. This represents an increase ranging from 3.03% - 5.05%. Proposed monthly increases in the Alumni Village apartments range from $10.00 for one bedroom units to $17.00 for three bedroom units. This represents an increase ranging from 3.08% to 3.40%.

The projected income for 2002-2003 will exceed the current year by approximately $1,889,682. The funds will provide for:

- Funding for reserves for renovation needs
- Anticipated bonus plan or salary increases should either be mandated by Florida Legislature
- Continuation of basic improvement projects
- The last approved rent increase for University Housing was effective August, 2001 at an overall increase ranging from 4.4% to 5.2%.

The proposed increases are discussed with student members of the Inter Residence Hall Council and Alumni Village residents. The student body president is informed of the proposed rates. The student body president is a member of the Auxiliary Services Board which approves the proposed rates.
In 1992 University Housing established a Reserve Fund to be used solely for extraordinary facility rehabilitation and repair needs. During 2002-2003 no replacement reserve funds will be expended.

BOARD OF TRUSTEES
March 18, 2002

SUBJECT: Proposed Rule – Campus Posting Policy

PROPOSED BOARD ACTION

Approve the filing with the Department of State of a rule adopting the University Policy for Posting, Promotions, Advertising, Chalking, and the Distribution of Materials on FSU Campuses.

BACKGROUND INFORMATION

This item is before the Board of Trustees because Section 229.0081(2), Florida Statutes vests with the Board the authority to adopt rules. The policy was adopted in response to problems with littering and defacement of sidewalks and buildings on campus with notices and advertisements. It was developed as the product of a series of meetings. The rule will enable better enforcement of the policy. The Board previously approved action to adopt the policy as a rule adopted under Chapter 120, to be published in the Florida Administrative Code, up to the filing for adoption with the Department of State. The rule and underlying policy have proceeded through the required public notice and the review and comment from the Joint Administrative Procedures Committee (JAPC). It is now ready for filing.

The Florida State University strives to create a campus culture that supports the academic mission of the University, and which provides an environment conducive to learning. The minutes from the February 15, 2002, meeting of the Board of Trustees were unanimously approved on a motion from Trustee Johnson and a second from Trustee Hinkle.

The Chair indicated that Governor Bush announced that Florida State University would house the Florida Center for Learning Research. The Center will be a joint College of Arts and Sciences/Learning Systems Institute project headed by nationally known reading researcher Dr. Joe Torgeson in the Psychology Department as well as Dean Donald Foss and Dr. Laura Hassler, Director of the Learning Systems Institute. President D’Alemberte commented that this initiative is in cooperation with the University of Central Florida.

The Chair indicated that this conference call would be Trustee Johnson’s last meeting and he welcomed Michelle Pletch as the next student member on the Board of Trustees.

The Chair announced that the Engineering Committee was scheduled to meet with Trustees Collins, Hanna, and Holmes from Florida Agricultural and Mechanical University (FAMU) to discuss the issues associated with the Joint FAMU/FSU College of Engineering. The meeting was scheduled for 2:30 p.m. on March 20, 2002, at the College of Engineering.

The Chair recognized President D’Alemberte for comments. President D’Alemberte indicated that the university filed a notice of appeal to the Liaison Committee for Medical Education. President D’Alemberte commented that the university will break ground for the construction of the university’s first new residence hall in more than 25 years. The $28.4 million, four-building residence hall complex will be constructed on the corner of Wildwood Drive and College Avenue, near the Student Life Building.

President D’Alemberte commented that Dr. Ray Bye also has some buildings under construction at Innovation Park that will accommodate several Department of Defense projects.
President D’Alemberte indicated that the university was working diligently on recruiting a basketball coach. In addition, the university is currently recruiting Eppes professors.

The Chair recognized Dr. Karen Laughlin for comments. Dr. Laughlin introduced Dr. Valliere Richard Auzenne. She also thanked the Chair for attending the Faculty Senate meeting on February 20. She indicated that the Chair was well-received by the Senate, particularly for his strong statements on academic freedom and his remarks concerning the role of the Board of Trustees.

At the request of Chairman Thrasher, Dr. Laughlin reported that the steering committee appointed some faculty members as liaisons to the committees of the Board, including Professors Perrin Wright and Robley Light (Engineering Committee); Fred Standley (Audit); Jim Cobbe (Finance and Administration); Valliere Richard Auzenne and Karen Laughlin (Legislative); Cliff Madsen and Karen Laughlin (Planning); and Marilyn Young (Student Judicial Process).

Dr. Laughlin also commented on the Faculty Senate review of the Chancellor’s Memoranda and the process for the revision and adoption of the university mission statement. The Chair requested that the legal staff provide a report on the status of the chancellor’s memoranda review at the next meeting of the Board in Tallahassee with an indication as to whether further action by the Board is necessary.

The Chair recognized Trustee Hinkle for a legislative update. Trustee Hinkle indicated that the Legislature needed to act on the budget, the reapportionment plan, and the cabinet reorganization. Trustee Hinkle briefed the trustees on the House and Senate budgets, including the discretionary funds allocated for Board distribution, enrollment funding, and resources for fixed capital outlay.

Trustee Hinkle also provided an update on the school code rewrite. She indicated that the House had a 1776-page version of the rewrite, while the Senate rewrote the chapters in eight smaller bills. Trustee Hinkle noted that the school code does not sunset until January 2003, so it would be possible to address the revisions in a subsequent session. Trustee Hinkle indicated that the trustee confirmation had gone through the committee process and was to be taken up on the Senate floor on March 20. Trustee Hinkle indicated that, at this point, it appeared that all university trustees would be confirmed.

The Chair recognized Trustee Ford for a discussion on dormitory rental rates for the 2002-03 academic year. The Chair thanked Trustee Ford for his generous gift to the university. Trustee Ford indicated that each trustee had been provided backup material relating to the dormitory rental rates. Trustee Ford indicated that the increases were generally in the 3-5% range and were being increased to support increased operating expenses, provide for significant increases in debt service, and provide the reserves needed to support future projects. Trustee Ford indicated that the university conducted an analysis of the local market. Trustee Ford also noted that President D’Alemberte recommended the increases.
The Chair recognized Mr. John Carnaghi for comments. Mr. Carnaghi indicated that the university was undergoing a major expansion. Currently, six halls were being renovated and the seventh underway. Trustee Knowles requested that the analysis relating to the local housing market be forwarded to him for his review.

Trustee Knowles asked for clarification of the items that were supported by the housing rate increases. Mr. John Carnaghi indicated that the university tries to maintain a reserve of approximately $15.6 million and allocates the balance for operating expenses, including employee salaries.

Trustee Haggard commented that the auxiliary services board, the President and various student organizations had approved the proposed housing increases.

The Chair recognized Trustee Hinkle for a motion to approve the housing rates for the 2002-03 academic year, as recommended by President D’Alemberte, and request that the President forward this information to the Florida Board of Education. Trustee Marshall seconded the motion. The Board unanimously adopted the motion.

The Chair recognized Mr. Mike Cramer, Deputy General Counsel, for an explanation of the rule relating to the campus posting policy. Mr. Cramer explained the proposed rule. Trustee Knowles questioned whether the proposed rule was reviewed in light of constitutional issues relating to free speech. Mr. Cramer indicated that he believed the rule to be reasonable and that the legal staff had reviewed other university policies concerning the issue. Mr. Cramer indicated that the proposed rule is similar to that of the University of Florida. Trustee Knowles questioned whether there had been a legal challenge to similar language elsewhere. Mr. Cramer commented that he did not know of any legal challenges.

Trustee Haggard asked about the authority of the campus police to arrest individuals on campus. The Chair indicated that the university police are law enforcement officers with the legal authority to arrest.

President D’Alemberte explained that the proposed rule related to campus beautification and was initiated to address some current problems with postings by businesses and individuals. President D’Alemberte reported that there had been problems with enforcement. Mr. Carey Drayton, campus police chief, indicated that he is comfortable with the proposed rule and believed it was a helpful tool for his office.

Trustee Johnson commented that the proposed policy was acceptable to him since there was an exception for student government elections.

The Chair recognized Trustee Marshall for a motion to approve the filing with the Department of State of a rule adopting the University Policy for Posting, Promotions, Advertising, Chalking, and the Distribution of Materials on FSU Campuses. Trustee Johnson seconded the motion. The Board of Trustee unanimously approved the motion.
The Chair recognized President D’Alemberte for a discussion of the current tuition allocation process. President D’Alemberte commented that student and faculty input into the tuition allocation process was the practice on campus. President D’Alemberte commented that he hoped this could be the practice this year as well.

The Chair recognized trustees for their closing comments and indicated that the next meeting of the Board was scheduled for April 15, 2002, at 4:00 p.m.

The Chair adjourned the meeting at 5:00 p.m.
