MEMORANDUM

TO: President Eric J. Barron
FROM: David Coburn
DATE: June 7, 2013
SUBJECT: Amendment to Regulation FSU 2.009, Parking and Traffic Regulations
          Request for Approval

Florida State University Transportation Services is recommending a change to the current parking regulation [SC2-2.009 Parking and Traffic Regulations (3) (b)] to readdress the authority to set parking fees assessed on behalf of the University. A proposed Transportation Access Fee (TAF) increase, as referenced below, for each of the next three (3) years is also recommended.

This amendment removes the parking fees from the regulation and grants the University President or the President’s designee the authority to regulate these fees. This change is consistent with regulations for the rest of the State University System. The Board of Trustees will continue to approve the Transportation Access Fee (TAF).
