

MEMORANDUM

TO: President Eric Barron
FROM: Robert B. Bradley *RBB*
DATE: January 12, 2011
SUBJECT: Material and Supply Fee
Request for Approval

Section 1009.24(14)(i), Florida Statutes authorizes each university board of trustees to establish materials and supplies fees to offset the cost of materials or supplies that are consumed in the course of the student's instructional activities.

To offset increases in the cost of consumables, Colleges continue to review current fees to ensure appropriate costs are being charged.

Your approval of the attached list of material and supply fees is requested. The fees will be effective Fall 2011.
